Our Waiting List: www.iseaf-info.org

December, 2010

Dear Sponsors;

It is indeed great pleasure to send warm greetings to you once again on the eve of Christmas and New Year. We are always happy to provide you with the latest information of INDIAN STUDENTS EDUCATIONAL AID FOUNDATION, as it is your own organization.

This year 165 students completed their education and started working choosing their career. They thanked their sponsors for providing financial assistance, courage and moral support and helped them to achieve their goals. This year 355 students applied for scholarship and 120 students are awarded scholarship. Still many students are in the waiting list.

We are grateful to all our sponsors who recommended to their friends and associates for sponsoring such students. Still many students are in the waiting list. We will be extremely thankful, if you are kind enough to give the necessary publicity to this and ask your friends and associates to visit our website

www.iseaf-info.org

Both our technical institutes, BHUMIKA TECHNICAL INSTITUTE, Palye and KEERTI VIDYALAYA TECHNICAL INSTITUTE, Siolim are running very well. Since all the students who completed their education get jobs, there is a big demand for admission. We are forced to take special permission from the government to admit extra students in some trades as there was great demand from parents and students. Some teachers got cash awards from the management for achieving 100% results in their subjects.

280 girls work for our Home Nursing Bureau. In spite of that we are not in a position to provide home nurses as per the requirements. Presently 70 students are being trained in three batches in our technical institutes.

2000 square meter land was given to ISEAF on lease by the sisters of Holy Cross. Soon we will be starting construction of a full fledged Hotel Management Institute here. The paper work is almost completed.

VALENTINA'S LITTLE HEAVEN, the orphanage in South Goa is being supported by us continuously. The work of the five toilets and bathrooms are completed. This is in addition to the school bus, well and over head tank with 24 hours water supply, the concealed ceiling to protect the children from heat. Once again we thank all our sponsors who contributed for this project and make it possible.

The students and staff members of ATMAVISHWAS one of the school for mentally challenged students of North Goa are happy and functioning very well. Mr. Schwartz during his last visit supplied all the equipments, teaching aids and furniture they asked for. The teachers told that we made their work easy by supplying all the required materials.

We are really touched to see that some sponsors come all the way to India to meet their students, others send gifts and presents to their students regularly. Some provide family assistance besides the scholarship. We would like to suggest to our sponsors, please do not send gift to your students directly. It may get lost on the way and may not reach your student. If you want to send a gift to your student please inform our office in Germany and we will get intimation from them immediately and we can arrange the payment and we will inform you about the payment with the photograph of your student.

You are free to ask us for any help concerning your students and we will be happy to provide you any information about your students.

Please find enclosed herewith stories of some of our scholarship students and students of our technical institutes who completed their education.

We wish you a Merry Christmas and a prosperous & Happy New Year.

With warm regards

Jacob Mathew
President & Chief Functionary
I.S.E.A.F.

SUCCESSFUL
SCHOLARSHIP STUDENTS

Madhavi Sagun Ajgaonkar

My name is Madhavi. I live at Mandre. Presently I am working as engineer for a firm namely "Genset System Control Pvt. Ltd." at Tuem. I like my work and the company is very close to my house. I am very thankful to my sponsors Mrs. Martina & Mr. Dieter Feldema for their support and encouragement. I belong to a poor family. I scored very good mark for my Xth class examination. But due to my poor financial background my father could not afford to send me for higher education. Our school headmaster asked me to apply for scholarship from ISEAF and I was lucky to get selected and I got very

good sponsors who stood with me during my difficult times.

Now I am looking forward to help a deserving student once I am in a position to help. When I was in need of help there was somebody to help me.

Pooja Gopinath Khorjuvekar

Pooja lives at Vasco. Presently she works as 'Software Developer' in a German base firm named Lelesys Info-Tech, Panajim.

Pooja joined the ISEAF family in the year 2004 when she joined XIth class. She was always a bright student. Her hard work & the encouragement and support she got from her sponsor Mrs. Kerstin Nickel worked very well and she passed engineering in computer science with 'Honours'. She was selected by

campus interview by the firm 'Lelesys Info – Tech' and appointed her as a "Software Developer". She is very thankful to ISEAF and her sponsor.

Suraj Korgaonkar

Suraj works as "Quality Control Officer" in a Pharmaceutical company called 'Glenmark Generics'. He is very happy and contentant now. Suraj remembers very well his old days. He was recommended by his headmaster to ISEAF. He completed his graduation in chemistry and later completed his post graduation. Soon he was employed in this firm. Suraj is very thankful to Mr. Rudolf Schwartz and his sponsor for all kinds of help and encouragements. He said "He is grateful to ISEAF and would help a deserving student when he is capable of doing it.

Shailesh Gajanan Palav

Seven years back Shailesh came to our office. He scored 88% marks for the X th class board examination and while discussing with him it was understood that he wanted to become a medical doctor. But unfortunately his financial condition at home is very bad. His father is a labourer in a factory. He gets a small amount as wage. Fortunately Mr. Dieter Backeberg offered to sponsor his education. Shailesh who is bright put a lot of hard work and completed his course and presently working in Goa Medical College as House Surgeon. He is very happy and thanked his sponsor for all the help, moral support and encouragement which helped him to build his future.

Viresh Jugali

Viresh works for Tata Toy Radiators Pvt. Ltd, Pune as their engineer. He is on the top of the world now. He is independent and can help his family.

But few years back when he approached ISEAF for financial assistance this was not the same. His father works as painting labourer. There are five members in the family. His father was the only earning member in the family. He was sponsored by Mrs. Theresia Klauss. After passing XII th class he joined in Goa Engineering College and completed his engineering degree in Electrical and Electronics. He was selected by Tata's in the campus interview and presently working in Pune.

Viresh is very thankful to his sponsor as well as ISEAF for making his future bright.

SUCCESSFUL

TECHNICAL STUDENTS

Swati Shetgaonkar

After completing post graduation in arts she joined Computer Software Course in our institute. She passed Human Resource Development Foundation examination with first class. Presently she is working as computer operator for Watson Pharmaceuticals at Verna Industrial Estate. She visited our office recently and told that even after my post graduation I could not get a job. Only after completing the computer software course I could get the job. So she is grateful to her teacher and the institute for guiding her properly.

Sonal Narvekar

Sonal wanted to work in Hotel Industry. Her parents were not very happy with her decision. But she was very firm. After completing her XII th class she joined in ISEAF's technical institute and opted for Hotel Management course. She learnt food production, food & beverage service, front office and house keeping. She passed the examination with good marks. Presently she works for Royal Park

Beach Resort, Candolim as front office incharge. Sonal is from Bamanvaddo, Siolim.

Vishal Shetgaonkar

Vishal is a favourite Electrical Technician of UNICHEM at Pilem Industrial Estate. He earns a very good salary. He likes his job very much. After passing XII th class Vishal was very confused about his future. He did not want to go for graduation then one of his teachers advised him to do the course of computer hardware and electronic course of ISEAF's Technical Institute. He took admission for this course. Fortunately he was guided by the teacher Mr. Adrian Fernandes. He took lot of interest and worked hard. He passed the examination with good marks. But before the result was out he was appointed as electronic technician by 'UNICHEM'. With his efficient work sincerity he becomes the favorite employee of the firm.

Ashirvad Simepuruskar

Ashirvad works for Mohamad Almogir Group in Saudi Arabia as computer operator. During his holidays he visited our office and thanked for helping him to mould his future. After passing XII th class his parents could not afford to send him for higher studies. He joined in our Keerti Vidyalaya Technical Institute and studied hotel management later he practiced in computer course also. Afterwards he worked in some hotels for few months in Goa. Presently he manages the front office as well as works as computer operator in MHGKSA in Saudi Arabia.

Sarvesh Naik

Sarvesh stays at Karaswada, Mapusa. He was very much disappointed when he failed in X th class board examination and realized that he is very weak in academic education. He spoke to his teachers and sought their advice.

One of his teachers told him to join for technical course. He decided to join Keerti Vidyalaya Technical Institute and took fitter trade. He liked the trade very much and he took special interest.

Under the guidance of our fitter teacher he got well trained and he passed the examination conducted by Human Resource Development Foundation, Government of Goa with good marks. Presently he is working as Fitter for Aditya Enterprises at Mapusa. He is very thankful to his teacher and the institute for helping to make his life a success.

Gauresh Kanulkar

When Gauresh failed in X th class he was very much depressed. He thought that is the end of his career. Fortunately he met a neighbour who advised to do a course in ISEAF's technical institute. He took admission in Keerti Vidyalaya Technical Institute, Siolim and opted for Air Conditioning & Refrigeration. Once he joined he understood that this is his career.

He began to take interest and started working hard. He passed the examination conducted by Human Resource Development Foundation with very good marks and he was soon appointed as 'Air Conditioning Technician' at Bhaman Engineering, Karaswada, Mapusa. He is earning sufficient money even to help his parents. Besides he likes the job very much.

HOME NURSING BUREAU

Mograbai Ghadi

Mograbai is one of our Senior Home Nurse. She is from Palye and passed Home Nursing course from ISEAF's Bhumika Technical Institute. Presently she is working for Ms. Aida Pinto, Housing board Mapusa. Ms. Pinto needs assistance due to old age and Mograbai looks after her very well. She told ISEAF that she likes the service of this nurse and

requested to extend her service for another term.

Mary Ann Fernandes

Mary Ann is from Siolim. She completed her Home Nursing Course only last year. Her children are all settled and she felt lonely. So she decided to spend her time looking after the sick and old people. She completed her nursing course from Keerti Vidyalaya Technical Institute, Siolim and presently working for Mrs. Rita Rose D'souza, Altinho, Mapusa. She needs nursing assistance due to old age and recently she had a fracture and required nursing help. Mrs. D'souza is pleased with Mary Ann's service. She says Mary Ann is a good companion to her than a nurse.

Mrs. Birgit & Mr. Guenter Klupp visit to ISEAF office to meet their students

Students of Hotel Management of our Technical Institute at Siolim are busy doing their practical in Food Production

Mr. Rudolf Schwartz with staff & students of ATMAVISHWAS special school of mentally challenged students
